DEPARTMENT OF HOMELAND SECURITY

Coast Guard

33 CFR Part 100

[Docket Number USCG-2017-0691]

RIN 1625-AA08

Special Local Regulation; Tennessee River, Knoxville, TN

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary special local regulation for all navigable waters of the Tennessee River from mile marker (MM) 641 to MM 648.7. This special local regulation is necessary to provide safety for the participants of the Bridges to Bluffs marine event in Knoxville, TN. This regulation prohibits vessels from entering into, transiting through, or anchoring in the Tennessee River from MM 641 to MM 648.7 from 9 a.m. through 1 p.m. unless authorized by the Captain of the Port Sector Ohio Valley (COTP).

DATES: This rule is effective from 9 a.m. through 1 p.m. on September 17, 2017.

U.S.C.	United States Code

II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because it is impracticable. We must establish this special local regulation by September 17, 2017 and lack sufficient time to provide a reasonable comment period and then consider those comments before issuing this rule.

We are issuing this rule, and under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making it effective less than 30 days after publication in the *Federal Register*. For the reasons stated above, delaying this rule would be contrary to

the public interest of ensuring the safety of participants, spectators, and vessels during the marine event.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1233. The Captain of the Port Sector Ohio Valley (COTP) has determined the need to protect participants during the Bridges to Bluffs marine event on the Tennessee River from mile marker (MM) 641 to MM 648.7. The purpose of this rule is to protect personnel, vessels, and these navigable waters before, during, and after the scheduled event.

IV. Discussion of Comments, Changes, and the Rule

This rule establishes a temporary special local regulation from 9 a.m. through 1 p.m. on September 17, 2017. The temporary special local regulation will cover all navigable waters of the Tennessee River from MM 641 to MM 648.7. The duration of the special local regulation is intended to ensure the safety of waterway users and these navigable waters before, during, and after the scheduled event. No vessel or persons are permitted to enter the special local regulated area without obtaining permission from the COTP. The regulatory text we are establishing appears at the end of this document.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive Orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive Orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory

approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day of the special local regulation. The river will be closed to all vessel traffic for a seven hour period from 9 a.m. to 1 p.m. from MM 641 to MM 648.7. The Coast Guard will issue written Local Notice to Mariners and Broadcast Notice to Mariners via VHF-FM marine channel 16 about the temporary special local regulation that is in place.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities due to the limited scope and duration of the rule.

While some owners or operators of vessels intending to transit the special local regulation, may be small entities, for the reasons stated in section V. A. above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act

of 1996 (Public Law 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175,

Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the FOR FURTHER INFORMATION CONTACT section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves the establishment of a special local regulation that would prohibit entry of vessels on the Tennessee River from MM641 to MM 648.7 for four hours on one day. It is categorically excluded from further review under paragraph 34(h) of Figure 2-1 of the Commandant Instruction. A Record of Environmental Consideration supporting this

determination is available in the docket where indicated under ADDRESSES.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233.

2. Add § 100.35T08-0691 to read as follows:

§ 100.35T08-0691 Special Local Regulation; Tennessee River, Knoxville, TN.

(a) Special local regulated area. The following area is a temporary special local regulation: all navigable waters of the Tennessee River between mile marker (MM) 641 and MM 648.7 Knoxville, TN.

(b) Effective date. This special local regulation is effective from 9 a.m. through 1 p.m. on September 17, 2017.

(c) Special local regulations. In accordance with the general regulations in § 100.801 of this part, entry into this area is prohibited unless authorized by Captain of the

Port Sector Ohio Valley (COTP) or a designated representative. Vessels are not permitted to transit through or within the area while swimmers are in the water from 9 a.m. through 1 p.m.

(d) Informational broadcasts. The COTP or a designated representative will inform the public through Local Notice to Mariners and Broadcast Notices to Mariners of the enforcement period for the special local regulation, as well as any changes in the planned schedule.

Dated: 25 August 2017

M. A. WIKE,
Commander, U.S. Coast Guard,
Acting Captain of the Port, Sector Ohio Valley
